

CONCERNING ONE-ON-ONE VISITS WITH SPONSORED CHILDREN

Compassion International has some important regulations to which we must adhere. If a member of your team is a sponsor who desires to meet with their sponsored child on a one-on-one basis OR if there is a team member who will be representing a sponsoring individual or group and wants to meet with that sponsored child on a one-on-one basis, their visit **MUST BE** pre-approved by *Compassion International*. This is for the child's safety and protection. We are required to comply with these regulations in order to continue our partnership with *Compassion International*.

Please advise these team members (spending one-on-one time with specific children) to go to <http://www.compassion.com/sponsordonor/tours/childvisitationguidelines.htm> or call *Compassion's* Visits Dept at (800) 336-7542 for more information.

Note that 8 weeks' notice is required before the date of the visit, and a \$35 background check must be done.
